Good Afternoon UC,

Thank you for the feedback about your availability to attend Refugio Incident Hot Wash. After collecting the input you provided, a spreadsheet was constructed identifying the dates everyone will be available for the Hot Wash. It appears that we have scheduling conflicts every day that was suggested; Conversely, Wednesday, September 30th will be the best available time on the majority of the UC's calendar.

Captain Williams has requested that the Hot Wash be conducted halfway between Santa Barbara LA/Long Beach. Camarillo should be a suitable location to accommodate everyone. If you cannot commit to this event please appoint a deputy to represent you at this meeting. A follow-up e-mail and calendar invite will be sent after a location has been secured. In the meantime, please let me know if you have any questions regarding this event.

Respectfully,

Ryan Andersen
